Areas of Greatest Need:

The City of Hemet is located in the heart of Riverside County. Both Riverside County and San Bernardino County make up the "Inland Empire" MSA. Riverside County has 24 incorporated cities (from the 2000 Census – at least three cities have incorporated recently); San Bernardino County has 24 incorporated cities (also from the 2000 Census). Since the foreclosure crisis became newsworthy in summer of 2007, this MSA at one point was the fourth most impacted foreclosure area in the country. City staff has been tracking foreclosures for all jurisdictions in the Inland Empire since July 2007. There were a total of 49,973 properties taken all the way through the foreclosure process in the MSA from July 1, 2007 through September 30, 2008 (29,607 in Riverside County and 20,366 in San Bernardino County). In relation to all housing units (as estimated by the California Department of Finance, 2008), this represents 3.42% for the MSA (3.83% in Riverside County and 2.97% in San Bernardino County). This also corresponds to 1 in 29 homes becoming bankowned during this period. The range of impacts on a citybycity basis is from a low of 0.36% of all housing units in the City of Indian Wells to a high of 13.05% of all housing units in the City of Perris.

Distribution and and Uses of Funds:

The City of Hemet began its needs assessment in response to the housing crisis (high number of foreclosed, vacant properties beginning to have adverse effects on neighborhoods) by identifying the census tract block groups in the City with income levels at or below 120 percent of the Area Median Income (AMI). For purposes of this Amendment, the low, moderate, and middleincome areas will be noted as "LMMI". This data was provided by the U.S. Department of Housing and Urban Development (HUD) and this data can be found on the HUD web site at the following web address: http://www.huduser.org/publications/commdev/nsp_target.html. There are a total of 29 census tract block groups (CTBG) in the City and 20 or 69 percent are qualified LMMI areas. The HUD data, in addition to a breakdown of income levels by census tract block groups, also provides the following information: •Estimated foreclosure/abandonment risk score (1 to 10 with 10 being the highest risk) – Hemet's data ranged from 8 to 9; •Rate of high cost loans (2004 – 2006) – Hemet's data ranged from 23.7 percent to 45.6 percent; •Predicted 18 month underlying problem foreclosure rate – Hemet's data ranged from 8.7 percent to 12.2 percent; •Rate of housing price decline since the peak in the housing market (June 2008) – Hemet's rate is 22.9 percent; •Unemployment rate (June 2008) – Hemet's rate is 10.5 percent; and •Residential vacancy rate (June 2008) – Hemet's rate ranged from 0.7 percent to 4.2 percent. NSP funds will be used in two primary activities plus administration: 1) Acquisition/rehabilitation/resale of singlefamily homes, and Acquisition/rehabilitation of rental multifamily units as a longterm affordable rental projects and 2) Administration of the program will not exceed 10 percent of the NSP grant and 10 percent of program income, if any.

Progress Toward National Objective Targets

National Objective	Target	Actual
NSP Only - LH - 25% Set-Aside	722,118.25	723,337.39

Overall Progress Narrative:

Administration:

1. Attended regional NSP training meeting for Realtors sponsored by the National, Association of Realtors and NCST.
2. Met NSP September deadline of obligation of all funding requirements.
3. Started on application and target area analysis for NSP3 funds.

Acquisition/Rehabilitation:

1. Development Partners are in escrow or rehabilitating 19 single-family homes (for a total of 35 single-family homes since program inception).
2. In escrow to purchase 1 additional fourplex with non-NSP funds as part of NSP target area to benefit 50% AMI households.
3. Sold and closed escrow with home-buyers on a total of 16 single-family homes since the inception on NSP.
